

Dear Pack 18 Parents:

Parent help is needed to help make pack activities run smoothly. Each family is expected to help at one pack event. Parent involvement requires the following:

1. Attend the planning meeting the first Wednesday of the month of the Pack event to find out the tasks needed to be done for this event. (The parade float has separate planning and building meetings).
2. Complete any pre-Pack event tasks necessary.
3. Attend the Pack event and take care of the tasks necessary. While families are always invited to Pack events, during events in which you have tasks, you may not be able to take care of your other children, please plan accordingly.

Below is the list of Pack events, please pick one or more that you would be willing to help with. You may rank your selection if you would like. Behind each event is an *example* of a job for that event. I will publish a list of volunteers for each event at the beginning of next month.

If you would like to take a more active role in Pack 18, please contact me about being on the Committee or serving in one of the other Pack leadership positions.

Please return this form to your den leader by the October Pack Meeting. If you have any questions, please contact me or any committee member.

Thank you for your time and involvement.
